

BRYNDON SMITH – EDITOR

310-874-0190 ~ HDCINEMAN@GMAIL.COM ~ WWW.BRYNDON.COM

OBJECTIVE

As a professional editor my mission is to understand the best way to tell the story, discover the relevant pieces, and invent the missing moments that most effectively tell the story.

With 11 years of professional editing experience, I have edited commercials, action sports, feature films, documentaries, and Reality TV. I am determined to continue editing compelling Narrative and Reality TV series; they are categories that feed my hunger to create. Let me help tell your story.
